

# THE PROJECT

SEMVA is an Erasmus+ project in the school education sector with a Romanian primary school, a popular education association and a sports club.

## OUR AIMS

Promoting the values of the Republic and those of the European Union

Raising children's awareness of sustainable development and ecology.

Encouraging interdisciplinarity

Exchanging and pooling our educational practices.

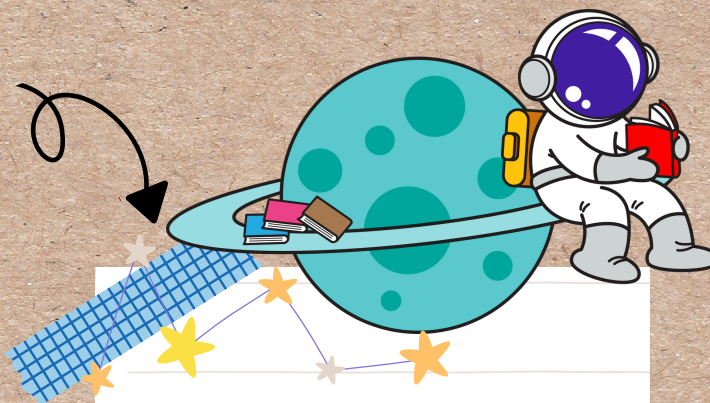

Creating synergies and networking.

Co-funded by  
the European Union

Erasmus+  
Enriching lives, opening minds.

Welcome !  
explorers of the European Union !

Today, you have a mission of vital importance ahead of you: you must set out to conquer Planet Erasmus, the most beautiful planet in the intergalactic system. But this journey won't be easy, You'll have to overcome challenges, solve riddles and muster all your strength to get there. Your first mission is to decipher a mysterious message sent by SEMVA. If you don't succeed, don't forget that Comenius is there to help you!
